9. Overview of Scholarship Handling

- (1) Loan period
The loan period is the regular period from April 2014 to the completion of the Master's course. If an applicant wishes to apply for a loan for a Doctor's program continuing on from a Master's program, the applicant must undergo screening by the foundation after obtaining the recommendation of their school under the same conditions as other applicants. (If you study abroad, we stop the loan in accordance with the rules.)
- (2) **No need Scholarship repayments for foreign students.**
- (3) Value of scholarship loan
¥80,000/ month (Master's course)
- (4) Commencement of loan
From April 2014
* The 2013 fall-admissions person is also the same.
- (5) Loan method
The scholarship loan for 2-months is transferred into the scholarship recipient's personal account at a financial institution at the start of each even-numbered month.
- (6) Loan repayments

a) Scholarship recipients are excused from repayment if they engage in scientific research activities for a designated period at a university research organization, where designated by the foundation (corresponding to the organizations designated by Japan Student Services Organization).

b) In cases other than those described in a) above, the loan is to be repaid in half-yearly installments in a period less than 5 times the number of months of the scholarship loan period, it starting from 6 months after the completion of the loan period. However, the loan is interest free.
