Check	委任する内容 Delegated service	国債名称 Name of Japanese Government bond	記号 Code
<input type="checkbox"/>		国庫債券 Japanese Government Bond	
		額面金額 (Face value) Amount	証券番号 Certificate number
		Yen	

(Note)

- The delegator must affix the registered seal or sign in the “seal/signature” column.
 (If the request does not require a registered seal, the delegator may use any of his/her seals.)
- For requests regarding National Government bearer bonds, the delegator must also write his/her passbook number in the “Code number” column.
- A proxy following the request based on this letter of proxy must bring his/her seal and identification documents issued by public agencies that include the proxy’s name and address.
 Depending on the delegated service, the proxy may also be required to affix delegator’s seal to other documents and present identification documents issued by public agencies that include the delegator’s name and address.
- We may contact the delegator in person by phone to confirm the delegated service when accepting the request from the proxy. Please note that in the case that we cannot confirm the delegation, we cannot accept the request.
