

My life in Australia

Keisuke Kasuya

My name is Keisuke Kasuya. I am junior at U.E.C. my major is economic engineering. I am twenty years old now. It is second time to go to foreign countries; I went to Thailand last year.

First five weeks, I was studying English at Griffith Univ. in Gold Coast!! I made many friends from all over the world, such as Saudi Arabia, Colombia, China, Korea, France and Japan. We went to swimming and surfing after school. In the weekend, we went to night clubs!! Australian beer is very very good!!

After 5 weeks of studying in Gold Cost. I went to Sydney in 3 nights!! Every night, I went to pub! I talked with Australian!! Blue Mountain is so cool!! Melbourne was so beautiful!! Great Ocean Road is very nice!! I watched Australian football game!! It was very exciting!! I love Australia!!
